February 16, 2021

Dear Members of St. Mary,

Enclosed please find a ballot for the six (6) resolutions that will be presented to the Parish Assembly when we convene on February 21, 2021, at 1:00PM via a Zoom call.

Inasmuch as the meeting will not be held in person, ballots approving or rejecting the resolutions can **only be submitted in one of the two following manners**:

1. If a member wishes to remain anonymous, s/he must personally deliver her/his ballot in a sealed envelope to St. Mary Church. The Church will only accept personally delivered ballots on the following dates and times:

   A. Wednesday, February 24, 2021 between 9:00AM and 5:00PM; and
   B. Sunday, February 28, 2021, between 9:00AM and 1:00PM.

   A member who personally delivers her/his ballot will need to sign the Church register of attendees of the February 21, 2021 assembly meeting when the ballot is handed in. A member of the balloting committee will be at Church on each of the foregoing dates to accept the ballot and confirm execution of the register.

2. Alternately, a member may mail in her/his ballot to the Church. The ballot must be postmarked no later than February 28, 2021. In order to ensure the accuracy of the vote, the Church has no option but to require that mail in ballots be signed and dated by the member submitting it. Accordingly, it is important to note that the member's vote in a mail in ballot will <u>not</u> be anonymous. As with personally delivered ballots, only mail in ballots from attendees of the Parish Assembly will be accepted.

///

The process outlined above differs somewhat from the process outlined in the notice of the Parish Assembly meeting sent last week. The change is necessary to ensure that there is no "stuffing the ballot box" at church. While it would seem highly unlikely that any member of our Church would do such an unchristian-like act, others remain concerned and the revised procedures are designed to remove any doubt or criticism about the integrity of the decision-making process.

Accordingly, please note that the ballot for the election of officers will be handled in the same manner as the resolutions as specifically set forth above. Rest assured, we will review the voting process once again during the course of the assembly meeting so as to avoid any confusion about how one can exercise her/his right to vote.

We look forward to seeing you next Sunday.

Very truly yours,

Mark V. Asdourian,
Parish Assembly Chairman
