In respect to the six (6) resolutions presented to the Parish Assembly for approval, there was a total of sixty (60) ballots cast. Inasmuch as several resolutions required a two-thirds majority, as to each of those measures, none passed. The tally of the votes for each resolution is enclosed herewith. As you will note, the resolutions approving the sale of property and two borrowing options were rejected. Notably, the resolution authorizing borrowing up to $2M in the absence of the sale of the property missed by 1 vote.

The rejection of Resolution Nos. IV, V and VI, have placed significant limitations on the Building Committee's plan of operations. As such, the Building Committee is reevaluating the phasing of the expansion project among other related matters. A more fulsome report of the decisions taken will be distributed to the members of our congregation in due course.

Thank you for your participation in the Parish Assembly and continuing support of St. Mary's mission.

Very truly yours,

Mark V. Asdourian,
Parish Assembly Chairman
